1930-1931

The circulation of the library this year has been 1,333.

Circulation of books,	1,333
Juveniles,	437
Adults,	1,181

We have received books from Mr. S. N. Carr of Montclair, New Jersey, and from Mr. Harley Hopkins, some that belonged to his mother. There are one thousand books that we are trying to sell, some that were discarded by Miss Annable. These were books needing rebinding, some that were wet at the time of the fire and others that were not read any more. We needed the shelf room for the new books. We would be glad to sell any of these books for ten cents apiece.

Statement of East Andover Library

The East Andover branch of the Library has been badly hampered this year. Mrs. Grace Adams resigned August 1st and desired the library removed. The vacant room in Frank Ward's store was secured and the books were moved over there. The library was closed while the books were re-arranged on the shelves. Mrs. Laura Cilley was secured as librarian. In a few weeks she died. Mr. Ward then took the charge of the library, having as assistant Harry Walker. No books have been purchased during the year. W. A. Richardson gave the library several children's books, as well as books of fiction. Dora and Harold Wiggin of Concord, also gave some books, children's, fiction and non-fiction. Several others have also contributed books. To all of these we are especially grateful. One case of books was loaned us from The Public Library Commission.

Year 1930-31

The year opened in September following Labor Day with a slight increase in the number of pupils enrolled. There were some changes in the teaching force. Miss Quinn and Miss Forbes resigned to find schools elsewhere. Miss Ryan left at the end of the year to continue her education.

Miss Alice Watts and Miss Thelma Hoyt, both of Derry, N. H., and graduates of Keene Normal School, class of 1930, were placed in the East Andover and Village schools, respectively. Both had taught in Andover the year previously having served nine weeks each as cadet teachers, Miss Watts in the Dyer's Crossing school and Miss Hoyt at Boston Hill. Miss Fay E. Dexter of Lisbon, N. H., was elected to teach in the Cilleyville school. Miss Bergeron, Miss Carleton and Mrs. Cody returned to their schools. Cadet teachers are being employed in the Dyer's Crossing and Boston Hill schools.

High School Attendance

The large eighth grade of the current year and the small number of seniors attending high school would indicate that there were more pupils going to secondary schools next year.

The estimated cost of tuition for next year is placed at \$5,825.00.

Recommendations

Serious consideration should be given the Flaghole school house. This is the smallest building in use at the present time. There are nineteen pupils in attendance and there is every indication that within a year or two this number will be increased. The building should be made larger by lengthening it ten or twelve feet and making changes as to lighting so as to make it modern in every respect. It is badly overcrowded just now.

I think the time has arrived when a regular teacher should replace the cadet teachers at Boston Hill. I would recommend that such a change be made at the opening of the school year 1931-32.

The amount of money being paid for transportation and high school tuition for the current year is more than was raised at the last school meeting. These are items that are hard to anticipate and yet these increased costs must be met. I suggest that \$600.00 be raised at the coming meeting, the use of which be made immediately available to meet the increased costs of these two items.

The year has been a very pleasant one, the teachers, parents and the school board have been real factors in the success of the Andover schools.

EARLE P. FREESE,

Superintendent of Schools.
